

Funds are available for the Low-Income Energy Assistance Program.
(LIHEAP)

Montgomery Community Action can assist Montgomery County residents with the household's major heating source including propane bill to help keep your household warm during this season.

We are also assisting with the American Rescue Plan, which is a Economic Relief Program that will assist with additional funds towards your heating bill.

Please Contact the appointment line to schedule your appointment and/or receive updates about our programs at:

334-230-5259 or MCAC.CASCHDULER.COM

Office location: 1072 Adams Avenue, Montgomery, Al 36104

For required documents and eligibility inquiries visit our website at www.mcacinc.org/mcac.

To Contact us you may call 334-263-3474 then press 1.

It is our intent to provide quality service to the low-income residents of Montgomery County.

We look forward to servicing you!

Funding Made available through ADECA.

Award amount depends on income and household size.

Major heating Source- Gas, Electric, Propane, Wood, Coal, or Kerosene
